- Weekly brand recognition in community e-newsletter
- Letter of appreciation

PARTNER IN PLAY \$500 - \$999

• Letter of appreciation

Dear Community Member:

The Town of Grenfell is partnering with residents and businesses from the community to Give the Gift of Play.

Efforts are underway to compliment and complete the Grenfell Recreational Park (GRP) with a new playground, suited for ages 2-12. The structures will complement recent investments and improvements made at the GRP.

The current play structure is more than 30 years old and is in dire need of replacement; materials are corroding, boards are coming loose, and the space is tired.

We want to breathe new life into the Park. We want your children to play, laugh, make new friends and put their bottoms in the sand after a long day of swim lessons. We want to re-establish the space as a place for families to remember as they look back at photographs and reminisce about summer days spent at the campground.

With your help, we can make this happen.

We are reaching out to our community for support. We are seeking private donations, as well as corporate sponsorships. The anticipated date of construction is Spring 2022. To accomplish this groundbreaking we require a great deal of support toward our \$80,000 goal.

If you are able, any contribution would be appreciated.

Sincerely,

Andrea Nicholl
Director of Recreation & Culture
