

**TOWN OF GRENFELL
TENDER FOR COMMUNITY HALL**

WIRING:

The Town of Grenfell is requesting tenders to upgrade the wiring and panels to support the addition of new high efficiency furnaces and air conditioning units at the Community Hall.

Specifications:

- Upgrade the buildings wiring to support the addition of two 5 ton air conditioning units and two high efficiency furnaces;
- Upgrade the breaker boxes to 400 amp service;
- The kitchen breaker box panels will need to be converted from two panels to one larger panel;
- Cost of Labour;
- Wiring for installation of air conditioners and furnaces;
- And any other work that may be needed through the inspection and bid process.

Contact the Chief Administrative Officer at the Town of Grenfell for further information if required at 306-697-2815 or cao.grenfell@sasktel.net.

The following information must be contained in the written and sealed submission received by the Town on or before the deadline:

- Contact name, address and phone number of the bidder;
- Total cost for the work including GST and PST;
- A statement of start date and completion date;
- Copy of Insurance and WCB coverage clearance;
- Signature of the bidder.

Tenders will be received no later than Wednesday, July 11th, 2018 at 4:30 pm by mail, personal delivery, fax or e-mail to:

Town of Grenfell
ATTN: CHIEF ADMINISTRATIVE OFFICER
