Current Building

- Yesterday Mayor Wolfe talked Jacqui Kennett-Peppler from the Saskatchewan Health Authority who confirmed that the current home is still in the process of being cleaned out
- After this finishes, the work on mould exploration will begin, no timeline was given, but they hope next week

Long-Term Plan

- Yesterday Mayor Wolfe spoke with Chief of Staff to Hon. Jim Reiter, Minister of Health; who confirmed the Request for Expression of Interest (REOI) has been sent out
- Closing date on the REOI is October 15, 2018 at 2:00 p.m.

Today Mayor and Council met with representatives from R.M. of Elcapo and R.M. of Wolseley to discuss the ongoing situation and plans moving forward

- The REOI was discussed at length and multiple questions were posed with regard to the specifics, and what can be done at a municipal level to aide the process
- A plan was made to talk to the Government of Saskatchewan and Saskatchewan Health Authority and report back at a later date
- Plans were made for a follow-up meeting

We will continue to post updates as we get them on a weekly basis.

Sincerely,

Mayor & Council
